

1. What is "cookies"?

1.1. The cookies are small text files which the website can use by recording them on your device. The function of the cookies is to remember your device, so that it could be identified during a subsequent visit to the website. By this the website content will be adapted in relation to the preferences of the user. "Cookies" is the name of all the files that collect and record this type of information.

2. What is the function of cookies?

2.1. Cookies have various functions. They help us better select content matching your interests, follow the number of visits to the website, record user names, etc.

2.2. The majority of cookies are used only to learn how users reached the website or what is their approximate location. However, there are cookies which store personal information such as user names and passwords.

3. Terms for use of cookies by the website www.astralb2b.com.

3.1. www.astralb2b.com uses cookies in order to provide services in situations such as saving settings, saving search criteria, statistics, cookies for banner system management, etc.

3.2. You can change the settings of your browser at any time. You can block the use of cookies or choose to be specifically asked with regard to each single cookie. You can find information about the settings of your browser in the browser documentation.

3.3. www.astralb2b.com may allow advertisers to use cookies in order to present suitable advertising materials.

3.4. Since the normal operation of the website requires cookies, their blocking may lead to inability to use some of the website's functionalities.

3.5. www.astralb2b.com preserves their right to change the terms for use of cookies at any time.

In case you have questions in relation to the use of cookies, you can send these questions to the following email address: office.plovdiv1@astralholidays.bg
